Adjournment - President (6:45 pm)

SMCC Youth

Spring season has gone well! Lots of fun activities and participation this year between Monday Playgroup, Homeschool Group and after school Thursday play has been great! The community is enjoying utilizing the space and we continue to grow.

Excited for Spring Fling Youth activities! Thank you SMCC Events Team for providing funds for the SMCC Youth Activity tables, which will feature rock painting, rainbow hoops and bead wind chimes this year. We will also have our annual SMCC Youth Sale table with lots of volunteers donating home made items. There will be bubbles, outdoor activities, and water balls (reusable balloons) too! Should be a day filled with lots of fun and community involvement!

Coming up:

July month will feature Field Day Fun with exciting activities planned every Monday; including Art Day, bubble day, water play day, challenge day and more!

Homeschool Group will take a brief break during the month of July and beginning of August.

Have a good week!

Cheryl Frisbee

Seniors Program Report

The Sandy Mush Seniors Connection Program continues to shine! Our monthly programs continue, with interest from several groups to come and present programs, including WNC Dementia Partners, Asheville Parkinsons Support, Buncombe County Council on Aging, and WNC Historical Association. Plans for our "Seniors Prom" are well underway, this will be a fun celebration of our first year, held on Saturday, June 3rd from 11am - 1pm. Additionally, we are in conversation with the WNC Community Health mobile clinic program to set up monthly visits to Sandy Mush. We hope to have more information on the community nurse program by the end of 2023.
