Food Pantry Report

December 2023

During 2023, the Food Pantry has served 881 households (families) comprising 2469 individuals, with an average of 73 households per month and an average of 206 individuals per month. At the December Food Pantry, 91 households were served comprising 299 individuals.

For your information, the other side of this page provides a spreadsheet on households and individuals since the Food Pantry first began in March 2017. February 2024 will mark the completion of seven years of the Food Pantry.

Bruce Larson for the Food Pantry Team
